

WERRIBEE STEEL

STEEL FABRICATION

Rob Cannizzaro: CEO

Our people are at the heart of everything we do, and their contributions shape our legacy of quality, craftsmanship, and customer satisfaction.

At Werribee Steel, we take immense pride in our heritage as a local family business. Founded by Aldo and Adriana Cannizzaro and now led by their son, Robert Cannizzaro, we have nurtured a legacy of trust, reliability, and superior craftsmanship. Our strong family values form the foundation of our business, ensuring a personalized and customer-centric approach to every project we undertake.

With over 50 years of experience, we have honed our expertise in steel fabrication techniques that adhere to the highest Australian standards. From T-bars and lintels to custom steel designs, our skilled team brings precision and finesse to every aspect of the fabrication process. Whether you're a builder in need of structural steelworks or a homeowner looking for a customized solution, we have the knowledge, experience, and passion to bring your vision to life.
