

WERRIBEE STEEL

SALES

Our New Sales Division

Introducing Werribee Steel Sales, our newly launched division that offers a wide range of steel products directly to customers.

With our extensive inventory and commitment to quality, we are excited to provide a convenient and reliable solution for all your steel needs. As a trusted name in the industry, Werribee Steel has expanded its services to include direct sales, ensuring that individuals and businesses have access to top-notch steel materials and components.

At Werribee Steel Sales, we understand the importance of having a diverse selection of steel items to meet various project requirements. Whether you are a builder, contractor, or do-it-yourself enthusiast, our comprehensive range of products has you covered. From T-bars and lintels to builders' steel works, our inventory is carefully curated to offer high-quality options for a multitude of applications. With our newly established sales division, customers can now conveniently source their steel requirements directly from Werribee Steel, benefiting from our expertise, reliability, and commitment to customer satisfaction.

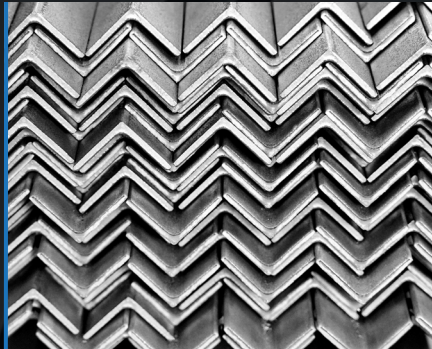

Talk to Marco De Muri or Anna Cannizzaro heading up our new Sales division.

By expanding our services to include Werribee Steel Sales, we aim to provide a seamless experience for our customers, making it easier than ever to access the steel products they need. With our rich history in the industry and our dedication to delivering exceptional quality,

Werribee Steel Sales is the trusted choice for all your steel purchasing needs. Experience the convenience, reliability, and excellence that Werribee Steel Sales brings to the market as we continue to uphold our legacy of craftsmanship and customer satisfaction.
